**WAR CLOUDS HANG  
OVER ALL EUROPE**

**Servian Government Refuses  
to Comply With Humiliating  
Demands of Austria.]**

London.—The darkest war cloud  
which has appeared on the European  
horizon since Germany sent warships  
to Agadir in 1911 hangs over Europe.

The Servian government refused to  
comply fully with Austria's demands,  
the most humiliating ever asked of an  
independent nation, for the expiation  
of the Saravovo murders for which  
Austria holds anti-Austrian conspira-  
cies in Servia responsible and for  
guarantees of future good behavior.

The Servian reply to the Austrian  
ultimatum was an acceptance of al-  
most all the imperious demands, ex-  
cept that Austrian officials shall par-  
ticipate in the investigation and fix  
the responsibility for the anti-Austrian  
propaganda.

Servia proposed an appeal to the  
powers at The Hague for the settle-  
ment of that feature. Notwithstand-  
ing this humiliating surrender, which  
was more than Europe expected of the  
little nation, the Austrian government  
gave the Servian minister his pas-  
ports which may be construed as a  
virtual declaration of war.

A formal declaration of war is not  
necessary, because Servia is not a  
party to The Hague convention, which  
requires this. The suspension of all  
parliamentary and judicial institu-  
tions have been decreed in Austria  
and an ironclad censorship has drawn  
a cordon of secrecy around the coun-  
try, so that the outside world is in  
complete ignorance of everything hap-  
pening there, except what the govern-  
ment wants the world to know.

The question whether Russia will  
take up arms to save her Slav protege  
from a crushing blow was the crucial  
feature of the situation on which the  
peace of all Europe hinged.

The same degree of secrecy which  
Austria has imposed has been estab-  
lished in Russia.

Germany has informed the other  
powers that she considers that the  
Austro-Servian quarrel concerns those  
nations alone. If any other power  
takes it up she declares, serious con-  
sequences must follow.

According to the Daily Telegraph,  
the German ambassadors at the capi-  
tals of the triple-alliance—London, St.  
Petersburg and Paris—when asked to  
press their governments to act as a  
check on Austria, replied simply that  
they would forward the request.

In return, Germany invited the cab-  
inets of London and Paris to do their  
utmost to keep Russia in check.

Chicago.—The campaign committee  
of the National American Woman Suf-  
frage Association issued a ringing ap-  
peal here to the women of the country  
to pour their gold and silver trinkets  
into a huge "melting pot" for the ben-  
efit of their sisters who are battling  
for the vote this November in seven  
of the states.

This appeal—said to be the first of  
the sort ever issued in the long his-  
tory of the suffrage movement in this  
country—is signed by Dr. Anna How-  
ard Shaw and the members of the  
campaign committee consisting of  
Mrs. Medill McCormick, chairman;  
Mrs. Antoinette Funk and Mrs. Sher-  
man M. Booth, of Chicago; Mrs. Helen  
Gardener, of Washington; Mrs. Mary  
C. Bradford, of Denver; Mrs. Desha  
Breckenridge, of Lexington, Ky.; Mrs.  
John Tucker, of San Francisco, and  
Mrs. Edward Dreier, of Brooklyn, N.  
Y.

According to the statement given  
out at the campaign headquarters, the  
campaign committee plans to have the  
gold and silver converted into bullion  
and exchanged across the counters  
of Uncle Sam for money. The women  
hope to raise at least \$50,000 before  
August 15 and they believe that their  
appeal will draw out from the hoard-  
ing places of the country the equiva-  
lent, in gold and silver, of a large  
share of this amount.

**GOLD TRINKETS TO  
AID SUFFRAGE CAUSE**

Colonel Says Suit Will Not Deter Him  
Oyster Bay, N. Y.—The reply of Col-  
onel Roosevelt to the \$50,000 libel suit  
of William Barnes, Jr., was an attack  
on the republican state chairman and  
a promise to help the suit forward.  
Colonel Roosevelt said he would not  
be deterred from attacking Mr. Barnes  
by the suit, but on the contrary would  
assail him the harder. He expressed  
the hope that he would have the op-  
portunity to take the stand against  
Mr. Barnes before election.

**Apple Crop, 15,000 Cars.**  
Portland.—A crop of 15,000 cars of  
apples is forecasted in Oregon, Idaho,  
Montana and Washington in the pre-  
liminary report of A. P. Bateham, vice  
president of the Northwestern Fruit  
exchange.

**Portland  
Letter**

As an indication of the tremendous  
growth of the livestock industry in  
Oregon and other sections of the  
Pacific Northwest, the Portland  
Union Stockyards Company has  
found it necessary to immediately  
make a large addition to its pen  
space in order to keep pace with con-  
stantly increasing shipments. The  
necessity for increased yardage for  
sheep feeding is mainly responsible  
for the additions which will be made  
at this time, and it is estimated that  
the new pens will take care of at  
least 15,000 head, making the total  
sheep capacity of the yards approxi-  
mately 35,000 head.

Farmer Smith, of the O. W. R. &  
N. Co., returning from an inspection  
trip through Eastern Oregon, states  
that the grain yield for this state has  
been considerably under-estimated,  
and that in most cases the wheat is  
turning out much better than ex-  
pected. He states that farmers who  
planted acclimated corn are meeting  
with great success and the growth of  
this crop is unusually good.

A big cannery and fruit packing  
plant, to be built and operated by  
Libby, McNeil & Libby, the Chicago  
packers, is practically assured for  
The Dalles. A free site for the in-  
stitution has been offered and fruits  
and vegetables in immense quantities  
will be produced to keep it in opera-  
tion.

An order has been received at the  
Roseburg land office to the effect that  
16 sections of land, formerly a part  
of the Umpqua forest reserve will  
be thrown open for homestead entry  
on October 2. Entries may be filed  
as early as September 12. The land  
is situated almost directly west of  
Roseburg, in the Coast Range, and  
most of it is heavily timbered.

At Sydney, in Polk County, the  
Krebs Brothers, formerly in the hop  
business, are constructing an im-  
mense dairy barn which will be up-  
to-date in every respect. It will have  
cement floors, brass rails, modern  
ventilation, running water, and will  
cost about \$2,000. The employees will  
wear white suits, and at milking  
time the cows will be washed, milked  
by machinery and only the final  
"stripping" will be done by hand.  
Fifty grade Holsteins will be handled  
at first and 100 head additional will  
be purchased in the near future.

Plans are practically completed by  
the Ghesham Fruit Growers' Associ-  
ation for the erection of a cannery  
at that point, nearly all of the \$15-  
000 capital stock having been already  
disposed of. It is planned to run  
the cannery on a co-operation basis,  
a plan which has been found succes-

ful in other localities, and it is  
believed that its establishment will  
result in the cultivation of hundreds  
of acres in Powell Valley now idle.  
Don't forget Buyers' Week, in  
Portland, August 10-15. The pro-  
gram is now complete and visiting  
business men will sure have the time  
of their lives.

**YANKTON NEWS**

An extra room is being built to the  
Yankton school house. Two years  
ago a room was put in the basement  
and only used a few months. Last  
term the school house on the Hyde  
farm was fitted up for an extra class  
room at some expense. We hope  
that the room which is now being  
built will be used longer than one  
term.

Fire has broken out again in the  
vicinity of T. Barger's home.  
Mr. Stevens has sold some of his  
acres at a bargain price to the buy-  
ers.

Land is very cheap in the Yankton  
neighborhood owing to the high  
taxes, people are offering their land  
for sale at a great sacrifice.

of Portland visited at the Brannan  
home.

A birthday dinner was given to  
Pearley Brown on last Sunday at the  
home of his parents Mr. and Mrs.

road crossing.

Mr. and Mrs. Oliver Smith have  
moved to the tent settlement at the  
Yankton crossing.

the Yankton neighborhood and enjoy  
tent life, besides the delightful auto-  
mobile rides in the hills around  
Yankton.

Fred Briggs is entertaining his  
cousin from California.

Mr. and Mrs. Eggman have been
